Create your first assistant
Let's get your assistant up and running. Name your assistant, add a description, and choose a language. In following steps we'll gather more information, show you basic customizations, and give you a preview of what your assistant will look like.
Assistant name
Example: Banking Bot
Your assistant name will be kept internally and not visible to your customers
Description (optional)
0/128
Add a description for this assistant
Assistant language
English (US)
This is the language your assistant will speak.

Personalize your assistant
Tell us where your assistant will live
We will create your first channel integration for you, which will be visible on your dashboard. You can always add more or change later.
Where do you plan on deploying your assistant?
Web
Tell us about yourself
This information will be used to personalize your onboarding experience.
Which industry do you work in?
N/A (I am a student)
What is your role on the team building the assistant?
Other
Enter your role here
Student
Which statement describes your needs best?
I'm using Watson Assistant to complete a course or certification
This is what your customers will experience
Watson Assistant
Do you have the Speed Demons in stock?
The Speed Demons are in stock at our Downtown and Northgate locations, which are both within five miles of you.
What size and color do you need?
I'm looking for a size nine in white
Great news! The Speed Demons are available in white in a size 9.
You can purchase them for curbside pick up or we can ship them to you. Which would you prefer?
I'll pick them up!
Ship them to me, please!
